# BREAK THROUGH BRITISH LINES

## Germans Penetrate West of St. Quentin

On North of Battle Front English Hold Their Position, Field Marshal Haig Reports

### GO TO PREPARED POSITIONS

Defensive Zone is Broken For First Time Since Armies Were Established in Trenches

### GERMANS HAVE FRESH MEN

This is Advanced as Reason For Offensive Developing With Unparalleled Rapidity

### BULLETIN

(By United Press.)  
With the British Armies in France, March 23.—Hard fighting is in progress on the British lines in many places.

At Ballecourt, Roussoy, and Lagnicourt, among others the fighting is very hot.

All these points are approximately in British lines as they were before the attack, indicating that in these places at least the Germans have made little progress.

### Break Through at St. Quentin

(By United Press.)  
London, March 23.—The Germans have broken through the British defensive system west of St. Quentin, the field marshal reported today. The British are falling back to previously prepared positions.

"Powerful hostile attacks with a great weight of infantry and artillery broke through our defensive system west of St. Quentin," the statement said. "Heavy fighting continues on the whole battle front."

"West of St. Quentin we are falling back in good order across the devastated area to prepare positions farther west."

"On the north of the battle front we hold our position. Very heavy fighting with enemy forces is progressing."

For the first time in the war on the western front since the opposing armies established themselves in their trench systems, the defensive zone has been broken through. In other great attacks the British, French and Germans have been able to bend back the line, but not to strike through the zone of defense.

## VAST SUPPLIES ARE BEHIND GERMAN LINE

Is Declaration Made by German Newspapers Saying Airplanes Have Increased 10-Fold

### GERMANY'S DECISIVE HOUR

(By United Press.)  
Amsterdam, March 23.—Members of the German reichstag stood while its vice-president expressed thanks to the army.

He said the German people are conscious of the gravity of this decisive hour and have the fullest confidence in the army and leaders.

German newspaper correspondence places great stress on the vastness of materials back of the German west front.

They declare the number of German airplanes has been increased 10-fold and describe huge tanks of poisoned gas and batteries of liquid fire projectors.

### Offensive May Have Serious Effect On War Plans of United States

Washington, March 23.—A long continued German offensive in the west will have a serious effect on the war plans of the United States as well as France and Britain. Members of the senate military affairs committee conveyed this impression today following their conference with the war council.

There was no tendency, however, senators said, to doubt the ability of the British to confine the enemy to comparative small and costly gains.

### Late Flashes on Drive

(By United Press.)  
Berlin, March 23.—Crown Prince Rupprecht's forces have captured 25,000 prisoners, 400 cannons and 300 machine guns, the Berlin war office announced today.

Paris, March 23.—Paris was raided by enemy air forces today, it was officially announced. There were several victims.

London, March 23.—French forces to the right of the British line are now engaged, the dispatches from the front declared today. Every available gun has been concentrated against the enemy.

London, March 23.—Secretary Baker visited the Belgium front Friday and had a long talk with King Albert, it was announced here today. There has been considerable raiding and artillery on the Belgium front in conjunction with the present drive.

Copenhagen, March 23.—German papers received today declared the present battle on the West front is final and decisive. They characterize it as the last exertion of strength before peace. "Germany only needs to hold a short time to obtain victory," it was declared. "The army leaders probably intend the enemy to bleed to death before the final attack."

Many military critics had reached the opinion that on account of the strength of the lines it would be impossible to break them until one side or the other had been worn down to such a point that it would be no longer able to man it strongly. Unless the British are able to restore the situation by a counter attack, a withdrawal on a wide front may be necessary with open field warfare.

The point at which the British

### Casualties Estimated At Over 200,000 In Killed, Wounded, Missing.

Washington, March 23.—According to official estimates of the casualties occurring thus far in the great battle, more than 200,000 men have been killed, wounded and captured in the two days' fighting.

British estimates place the German losses at 150,000 men while nothing official has come from the front throwing a definite light on the British losses. They are estimated at approximately half those of the Germans—between 75,000 and 100,000 men.

### LAND SALE FRAUDULENT

McAllister Real Estate Exchange Barred From Mails

(By United Press.)

Washington, March 23.—The McAllister real estate exchange of Oklahoma was barred from the mails today by the post office department for alleged fraudulent real estate sales in Indian land. The McAllister company, according to the memorandum of the postoffice department, sold Indian land to settlers giving the impression that this company was acting for the government. Indictments of officials of the company will be asked according to postal officials.

## HAS 2 WIVES SINCE COURT WAS REVERSED

George Hoffman, Who Was Prosecuting Witness Here in Stevens Case, in Peculiar Situation.

### DEVELOPMENTS IN FAYETTE

George Hoffman, who was prosecuting witness in the assault and battery cases against Omer and Manford Stevens of this county in court here the latter part of last year, finds himself with two wives since the state appellate court has reversed the decision of the Fayette circuit court granting him a divorce from his wife, Dessie Hoffman, three years ago. Since the divorce, the decree in which he was given the custody of the child, he has remarried.

The first Mrs. Hoffman is a niece of the Stevens brothers and was living at their home when Hoffman called to see his son. It is alleged that the Stevens brothers assaulted him. Manford was fined \$50 and costs Sept. 5, 1917 after the jury in the court here found him guilty of assault and battery. The trial of his brother began Oct. 8 of last year, and on Oct. 10 the jury disagreed and was discharged.

Trial of a suit brought by the first

## WELL KNOWN SOLDIER WOUNDED IN ACTION

Telegram Announces Member of Rainbow Division Injured Mar. 18 on Duty

### NEPHEW OF J. P. ARCHEY

One of the first soldiers, well known through Rush county, to be wounded in battle with the Germans is Orla O. Archey, 23, nephew of J. P. Archey of Anderson township. The young man formerly residing in Waldron, Shelby county but for two years has lived with his parents in Indianapolis.

A telegram was received by his parents Thursday announcing that the young artilleryman had been seriously wounded in action March 18. The word was received yesterday by a host of relatives of the wounded soldier, who reside south of this city.

The young man enlisted last April in the E battery of the One Hundred and Fiftieth field artillery and drilled with that unit from the time of its organization until August in the old armory in Indianapolis. He encamped at Fort Harrison on August 5 and left with the Rainbow division for the trip overseas.

Private Archey was a member of the headquarters company.

## STRICT ORDERS TO COAL DEALERS

Permission of Administrator Necessary for Group of Consumers to Secure Carloads

### LOWER PRICE IS PROMISED

State Will Be Governed by Conservation Measures from Washington after April 1

Early ordering of next winter's coal supply is the advice of the county fuel administrator, Samuel L. Trabue, and with memories of last winter's coal shortage, little persuasion will no doubt be needed on the part of the administrator. Mr. Trabue calls attention to the fact that by April first the government price of coal will be set and there will be no advantage in delaying ordering one's supply of coal for next winter.

The maximum amount of anthracite coal that may be delivered is six tons. The order says that or after April first and until further notice, no retail dealer may, unless authorized by the federal fuel administrator, deliver or cause to be delivered to any domestic consumer more than two-thirds of his normal requirements of anthracite coal until each domestic consumer who has placed his order with the dealer and is willing to receive delivery of it has received two-thirds of his normal annual supply for the year ending March 31, 1919, provided however that orders of six tons or less may be filled in full.

Permission of the county administrator is necessary for a single domestic consumer or a group of consumers to secure coal in carload or barge lots.

That consumers will feel warranted to buy Indiana coal, an inspection system is to be established to insure clean coal. Many consumers here, remembering the experiences which they had last year, will receive this bit of news with satisfaction.

The regulations received by the county fuel administrator provide that every consumer should place with his dealer on or before April first a written statement of his requirements of coal for the year beginning April first which he shall declare to be correct. The statement shall show (1) the amount of coal the consumer has on hand, (2) the amount of coal he has on order and name of the person from whom he ordered (3) the amount of coal used by him in the 12 months ending March 31, 1918 and (4) the amount of coal needed to meet his actual and necessary requirements prior to March 31, 1919, provided however that this regulation may be modified by any state fuel administrator within such circumstances and conditions as he may deem proper.

According to government bulletin No. 22 received by the county fuel administrator, the state will be governed by conservation coal measures from Washington. The new regulations point out that the jobber's compensation if any must come out of the government price at the mine and may not be added to it as has been done in many cases in the past. This will tend to decrease slightly the price of Indiana coal.

Every consumer is urged to place his order now for sufficient coal for his reasonable requirements for the coming year. To safeguard the hoarding of coal and make certain that the consumers take an amount sufficient to last them through the next winter, the dealers are required to file with the county administrator

### ANSWER APPEAL FOR BOOKS

Boy Scouts Collect Reading Material For Soldiers

Boy Scouts, loaded down with library books, were headed toward the library all day today bringing in Rushville's contribution to the library commission of books to be sent to training camps in this country and Europe. Many persons brought in their own books and a goodly collection has resulted. Names of the donors appeared on the fly leaf of many editions, and the camp to which they wished their contributions to be sent.

## WILL OF MARY DIXON ADMITTED TO PROBATE

Codicile Written Feb. 8 Provides Estate at Son's Death Shall go to Daughter

### CHARLES A. MAUZY TRUSTEE

The will of Mrs. Mary A. Dixon, who died March 2, has been admitted to probate in the circuit court. The will proper provides for the appointment of Lon Linx to act as trustee of the estate, but the codicile which was written February 8, 1918 says Charles A. Mauzy; Mrs. Dixon's son-in-law shall be the trustee of the estate and use whatever is necessary of it to care for her son, Frank Dixon. She also requests that Mr. Mauzy be made the guardian of her son. Mr. Mauzy has been appointed trustee under the will of Henry Dixon, deceased husband of Mrs. Dixon, which was written February 3, 1899 and left the estate in trust to Mrs. Dixon, it to go to her son at her death.

The codicile of Mrs. Dixon's will distributes many of her personal belongings among her relatives and friends and provides her grandchildren shall receive her Liberty bonds. Although the will proper says the estate shall go to her grandchildren, the codicile provides all of the es-

## TARRED, FEATHERED, FORCED TO KISS FLAG

Four Men Accused of Being Pro-German Handled Roughly at Christopher, Ill.

### VIGILANTES TAKE A HAND

Christopher, Ill., March 23.—Four men charged with disloyalty were tarred and feathered, forced to kiss the flag and then driven from the town site here last night.

One of the men, Theodore Cunger, convicted of disloyalty, was taken from the jail by a vigilance committee numbering several hundred persons and dragged to the town square, where the coat of tar and feathers was applied.

Soon afterward the committee took the Rev. John Kovalsky, pastor of the Catholic church, from his home, stripped him to the waist and applied a coat of tar and feathers. He, too, had been accused of disloyalty.

The crowd then seized two other alleged pro-Germans and sent them from the district with coats of tar and feathers. An attorney who defended Cunger was compelled to swear allegiance to the government and warned to leave the district.

Numerous demonstrations against disloyalists have taken place recently in this district.

## DRIVE SHOULD BE BEGUN WITH WHOOP

Watch Meetings on Eve of Campaign and Appearance of Modern Paul Reverses Urged

### TO STIR UP THE COUNTRYSIDE

Deposits and Resources of Banks Announced—Basis For Determining County Quota

The immediate necessity of organizing carefully to send the Liberty Loan drive, opening two weeks from today, off with a whoop, is emphasized in a letter received today from Walter S. Greenough, director of publicity in Indiana for the campaign.

Coincident with the urgent request for organization along the lines suggested by state headquarters, the local county chairman today announced the bank deposits and resources in the county, upon which the quota for the county will be based. Total deposits in the thirteen banks and trust companies of the county are \$4,225,460.36 and total resources \$5,416,375.58. The resources of the two building and loan associations are \$107,676.30.

Watch meetings for the night of April 5 and patriotic meetings and parades the following day are some of the suggestions coming from the state publicity director. It is proposed that watch meetings be held in private homes, churches, schools, lodge rooms and at other public gatherings; that the singing of patriotic songs and offering of prayer for the success of the loan be the central themes. The sale of bonds can commence at this watch meetings, it is stated.

"In addition to these features," says the publicity director, "will you not bend your efforts immediately to the organizing of men to ride through the country districts and the city streets as Paul Revere rode more than one hundred years ago to awaken the countryside to the fact that again America faces a danger which may destroy her. Country boys should utilize their horses and their fathers' automobiles for this feature, and in the city every street should be covered by these modern Paul Reverses."

In preparation for the drive, Will

## BICYCLE COLLIDES WITH AUTOMOBILE

Colored Boy Injured in Accident Which Occurred at Street Crossing This Morning

### SUSTAINS INJURY TO HEAD

John Johnson, colored, the fifteen-year-old son of Mr. and Mrs. John Johnson of East Eighth street, was injured this morning when the bicycle which he was riding collided with the machine driven by E. O. Humes, who was not held to blame.

The accident occurred at Sixth and Main streets shortly after 10:30 o'clock. Both Mr. Humes and the Johnson boy were traveling north in Main street and it is stated that the rider of the bicycle attempted to cross in front of the machine to go east in Sixth street when he was struck. The boy was thrown to the pavement and as a result sustained several bruises, the most serious injuries, however, being to his head. A physician was to make a thorough examination to find the extent of his injuries, this afternoon.

March 27, 1918

At farm located 3 miles south of Butlerville, Ind., I will sell at public auction

77.82 Acres

Of good land consisting of about sixty acres fine plow land, balance timber and pasture with never failing water. Four room house and barn; house can be made livable with little expense; about 2 acres of apples. Possession on day of sale. Sale to start at 10 o'clock a. m. and continue until 3 o'clock so as to give all a chance. Will make a good home for somebody. Terms \$1000 cash day of sale, balance 2 years with mortgage on farm.

J. H. FRAZEE

Butlerville, Indiana, R. R. 1

THE BULL-DOG BEATER WHEEL

This bull-dog wheel is all that its name implies. It is one of the foundations on which the Litchfield Spreader Line fairly stands.

This beater wheel is entirely unlike the ones used on all other machines in the world. The manufacturers claim THIS ONE PATENTED FEATURE to be worth more to any spreader than all the best features combined, which are controlled by all other competing machines.

This is the only beater wheel used on manure spreaders that CANNOT BE CLOGGED by any kind of material that is ordinarily used in a spreader. The principle is unique and different from everything else. It operates on the plan of one set of teeth working ahead of another set. What one set of teeth fail to get the other set takes good care of. Come in and see it and we will explain all the details.

It does the work that TWO beater wheels would do if it were possible for two wheels to operate on the SAME SHAFT and in the SAME SPACE, one working an inch and a half deeper in the load all the time, than the other. Owing to its peculiar construction, it TAKES CARE of the material as it comes from the box, tears it into pieces and distributes it with uniformity and WITHOUT PACKING OR CLOGGING.

The whole secret is the peculiar makeup of the diamond pointed LONG and SHORT teeth which are so arranged that no material gets by them and drags on the bars that hold the teeth. This beater wheel is light running, flexible and all steel. Our owners tell us that the power it requires to do its work is almost negligible.

TWO JUDGMENTS AWARDED

Two Other Suits Are Dismissed in The Circuit Court

Judgment has been returned in two suits on notes, a claim against an estate and a suit on a note dismissed in circuit court. Walter E. Smith was given judgment against Owen Sweet et al on a note for \$59.84, including \$10 attorney fees.

Frank M. Gordon was given judgment on a note against Mathew Walker for \$90.94, including \$10 attorneys fees. The claim of \$22.90 filed by John Shaw against the estate of William E. Tinsley was dismissed and the costs paid and the same action was taken in the case of George Whisman against Edward G. Carr on a note for \$500.

GERMANS PENETRATE  
WEST OF ST. QUENTIN

Continued From Page 1

line has been broken is near the southern end of the German attacking front, which extends from Arras to La Fere, fifteen miles below St. Quentin. Below this sector is the great arc in the front, where the line, approaching nearest to Paris, turns sharply to the east.

The German offensive has developed with almost unparalleled rapidity. One reason for this is indicated in Field Marshal Haig's reports, showing that the Germans are constantly bringing up fresh bodies of troops.

Americans Repeat Raid

With the American Army in France, March 23.—American soldier's Wednesday night who raided German trenches repeated the raid Friday morning. Dugouts had been smashed during the night by our artillery.

The enemy front line was lightly held. All the occupants were wiped out.

MAKES BRITISH CAUTIOUS

London, March 23.—Lack of German efficiency in strategy and weapons in their offensive has made the British cautious. They believe the enemy may try a surprise, perhaps an attack to the north—when the British reserves are diverted against the present center of the German advance in the Cambrai sector.

Germans are attacking positions which they want abandoned, but are paying more heavily than they can afford and more heavily than the positions are worth for the slight advancement.

tate at the death of her son, shall go to her daughter, Mrs. Charles A. Mauzy. The will also says \$40 a month shall be paid the deceased's sister, Mrs. Belle Dunnohue, or \$50 if it is necessary.

THREE MORE CANDIDATES

Three more candidates have announced themselves for places on the county tickets at the primary May 7. Howard Campbell of Milroy wants the republican nomination for recorder. Wilbur E. Logan of Noble township is a candidate for the democratic nomination for county councilman in the second district and Royal Orme of Rushville township wants the democratic nomination for third district councilman.

LIKELY NOT TO INTERVENE.

(By United Press.)

London, March 23. — Premier Trenchard told the Japanese house of peers today that the government is not considering intervention in Siberia where enemy war prisoners are no real menace, according to dispatches from Tokio.

William Wilcox of Gwynneville has traded three houses at the corner of Julian and Third streets, one facing in Third and the other two in Julian, for the five-acre tract of Elbert S. Carr's just west of the corporation line in First street. Mr. and Mrs. Carr and family will move to the Third street house, which was formerly the Brown property, and Mr. Wilcox will move from Gwynneville to the Carr property.

Mrs. James Goodbar is suffering from an attack of tonsillitis at her home in North Sexton street.

Garland Newkirk underwent an operation at the Dr. Sexton hospital yesterday for appendicitis.

John Megee of North Morgan is ill at his home.

Smith was awarded judgment against has returned from Springfield, Mo., where she spent the winter the guest of her son Prof. Thomas Naddal, president of Durea university.

Christian Fox has sold his farm of 125 acres located north of the city to Joseph Hammond of Milroy for \$192 an acre.

**Relief from Eczema**

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using a little zemo, obtained at any drug store for 35c, or extra large bottle at \$1.00.

Zemo generally removes pimples, blackheads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

The E. W. Rose Co., Cleveland, O.

**DRINK HOT WATER BEFORE BREAKFAST**

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

To-morrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside-bath. It is said that men and women who try this become enthusiastic and keep it up daily. It is a splendid health measure for it is more important to keep clean and pure on the inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do.

The principle of bathing inside is not new, as millions of people practice it. Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.

**FUEL HEAD TWO STATES.**  
 (By United Press.)

Washington, March 23.—E. C. Honnold of Illinois today was named representative of the fuel administrator for Illinois and Indiana. His headquarters will be in Chicago.

C. G. Hall of Terre Haute was appointed deputy district representative for Indiana and his assistants: Jonas Waffles, Terre Haute; C. J. Fletcher, Indianapolis; H. W. Little, Evansville and Eugene Wardlaw of Brazil.

# "TODAY, I'M WELL"

Says Jackson Lady, And Thanks Cardui For Her Good Health.

Jackson, Ohio—Mrs. Alice Scurlock, of this place, writes: "About three or four years I was in a very weak state. I suffered with my sides. They were sore and it seemed when I would lay down at nights something seemed like it twisted and pulled in my sides.

I could not rest nights, I was so very nervous. At... time I was worse than others, the pain was much more severe. I had sick headaches. My limbs would get numb and this was disagreeable. I doctored myself and tried different doctors... I was very frightened of operations and felt I could not go through one, I had gotten down so nervous. I read of Cardui and decided to use it. I took 11 or 12 bottles. Today I'm well and do not have any nervous trouble. I am able to do my own work and feel so strong and well. My sides are all right, and I know Cardui did it. I certainly am stronger than in a long time."

If you suffer from any of the troubles so common to women, try Cardui. Thousands of women give Cardui credit for their good health.

We are authorized to announce the name of Howard Campbell of Anderson township, as a candidate for County Recorder, subject to the decision of the Republican primary, May 7th, 1918.

## Men Improved Physically

There has been a marked improvement in the physical condition of American men since the Civil War. This conclusion, which will surprise those who are fond of talking about the softness of American life and the degeneracy of American youth,

is indicated by the records of the selective draft as compared with those of the first draft of the Civil War.

The records of the first Civil War draft show that nearly 32 per cent of the men physically examined were rejected. In the first call under the present selective service act, only 29 per cent of those examined were rejected.

It is true that the Civil War had been in progress for some time before the first draft was made and that the men examined probably fell below the physical average of the men available at the opening of the war. But the record of the present draft is similarly affected by the hundreds of thousands of young men who have voluntarily enlisted and who have not been physically examined by the draft boards. Moreover, the great advance, since the Civil War, in standards of medical diagnosis and of physical soundness, has undoubtedly resulted in the rejection of thousands of men who would have been regarded as acceptable fighters in the sixties.

The total number of men physically examined by the draft boards was 2,510,706 of which number 1,779,950 were accepted and 730,756 rejected. Of the men found physically acceptable by the local boards and sent to camp, it is estimated that less than 6 per cent have been rejected by the camp surgeons, a record which speaks well for care and thoroughness of the board surgeons.

Tales have been floating about that men with glass eyes and artificial legs have been sent to camp. Such cases may have occurred, but it must be remembered that some 20,000 men were received in camp who had failed to appear for physical examination by the local boards and had been reported to the state adjutant generals and by them sent to camp. Undoubtedly, men who reached camp with such obvious physical defects belong to this class.

The young men of South Dakota have made the best record, the ratio of physical unfit being only 14. At the other extreme, the Pennsylvania record shows nearly 47 unfit men out of every 100 examined.

## In Lump Sums

The recently adopted custom of Congress of presenting the Executive officers of the government with large lump sums to be spent in their discretion has had the natural consequence of bringing what may be called "lump reports" from those officials. To pay the expenses of floating the first liberty bonds and the certificates of indebtedness authorized at the same time the Secretary of the Treasury was given a sum equal to one-tenth of one per cent of the amount of bonds and certificates. He has now rendered a report to Congress purporting to show how the money was spent. The total expenditure to date has been slightly over two million dollars, of which more than half was spent by the Federal Reserve Banks. The report merely shows the total spent by each bank. (For instance the bank at New York disposed of over \$278,000, and the public is left to its own conclusions as to what became of the money.

The farmer who in these times would feed wheat to hogs, is an altogether new specimen of animal that we have not yet classified. Of all the utterly incomprehensible beings that this war has brought to public notice, he is easily the limit. If not an avowed friend of the kaiser he must be simply an animal in the form of a man, with a gizzard where there should be a heart.

Now if some one will establish the fact that the Hun is in the habit of burning and torturing his victims we may get back a little of our self respect. Just now we are forced to admit that we have outdone him at his own game.

Figuring it right down to the last analysis, it's up to the people of this country to decide which they love most, their boys or their—stomachs. One or the other must be denied. Which?

The world may, as some one has asserted, accept us at our own valuation, but we don't often catch it in a buying humor.

—Mrs. Emily Coleman and Miss Henrietta Coleman are spending the week-end with relatives in Indianapolis.

## The Anker-Holth Cream Separator

is the only Separator on the market that has a SELF BALANCING BOWL and has no lead or soft solder on the inside in order to perfect a BALANCE, which you will find in other makes of Separators. The bowl is guaranteed to stay in balance the life of the machine. ¶ The Bowl is Self-drawing which makes it non-freezing in cold weather. It is easy to turn and easy to clean, and can be washed in one-half the time you can wash any other Separator.

¶ The Anker-Holth has no oil holes or feed cups. It is oiled by an up-to-date oil system; you only put oil in every 60 or 90 days. The ANKER-HOLTH will skim closer than any other Separator on the market today, which has been proven by tests with other leading Separators and tested by the Babcock cream tester. ¶ It is the only Separator with a dirt chamber that removes all impurities from the whole milk before it enters the discs for cream separation.

The Anker - Holth is a High-grade Separator at a Medium Price.

## NOTICE TO NON-RESIDENTS

THE STATE OF INDIANA, RUSH COUNTY.  
In the Rush Circuit Court, February Term, 1918  
Amos Ivins vs. David Ivins et al.

Complaint No. 1228.  
Now comes the plaintiff, by John A. Titworth, attorney, and files his amended complaint herein, together with an affidavit that said defendants, Laura Ivins Riley Grace Gurrie, L. P. Riley, husband of Mollie Hall Riley, deceased, James Curtis O'Neil, Leroy Oldfield, John B. Oldfield, Graz. Oldfield, Amanda B. Prather, Louise Jane Dice, William Oldfield, Ernest Kirk Frazier, Cora May Julian, Nannie Riley, Frank Alger, Raymond Riley, Aubrey Riley, Amanda Cook, Flossie Way, Unknown heirs of John Ivins, deceased, Unknown heirs of nieces of John Ivins, deceased, Unknown heirs of Mary Way, deceased, are not residents of the State of Indiana; that said action is for partition and to quiet title and that said non-resident defendants are necessary parties thereto.

Notice is therefore hereby given said defendants, last named, that unless they be and appear on the first day of the next term of the Rush Circuit Court, to be holden on the first Monday of May, A. D., 1918, at the Court House in Rushville, in said County and State and answer or demur to said complaint, the same will be heard and determined in their absence. Witness my name and the Seal of said Court, at Rushville, this 15th day of March, A. D. 1918.

### HAS SUPPLY OF SEED CORN

M. F. Detrick Can Obtain White Corn for Farmers

Marion F. Detrick county emergency agent who has successfully supplied scores of farmers in the county with seed corn during the past two months, announced today that he can supply more farmers with Johnson county white seed corn if they make their wishes known to him at once. The corn is in Indianapolis and as there is only two carloads obtainable the orders will have to be placed with the agent at once if they desire a shipment.

### MINISTERS TO SPEAK AT EPWORTH LEAGUE

Subject Will be Studied in Light of  
Soldiers Giving Their Lives  
For Others

#### HE DIED IN MY STEAD TOPIC

The Rev. C. S. Black and the Rev. L. E. Brown will give short addresses at the Epworth League meeting at six o'clock tomorrow evening on the subject, "He Died in My Stead." A number of other features will also be on the program, including a violin solo by Charles Ernest Parke, a vocal duet by the Misses Kathryn Guffin and Kathryn Wooden, a reading by Frances Payne, a vocal solo by Miss Sylvia Wolters, a talk by the leader, Miss Gladys Bebout and scripture readings by Louise Pittman, Dorothy Wheeler and Margaret Guffin.

The subject of the evening will be taken up in the light of Christ "dying in my stead" and of the soldiers of today offering to give their lives for others.

Persons attending the League tomorrow evening may bring library books to be given to the soldiers and they will be handed over to the library here.

### TICKETS GO ON SALE TODAY FOR LODGE PLAY

"Damon and Pythias" Will be Presented by Knights of Pythias  
Wednesday Evening

#### WHAT THE PROCEEDS ARE FOR

Tickets were put on sale today at the Hargrove and Mullin drug store for the play, "Damon and Pythias," to be given on next Wednesday evening in the Graham Annex by the members of the Knights of Pythias lodge under the auspices of the Willing Workers class of the Methodist church. The proceeds from the play will go toward paying the lodge dues of Knights of Pythias in the service and toward the Sunday school class fund. The Sunday school orchestra will play between the acts of the play.

The play is given in connection with the lodge work and the men have had practice in producing it. Last year, they gave it in Connorsville and Shelbyville and have been asked to come back to Shelbyville with it this season.

### PALM SUNDAY TO BE OBSERVED TOMORROW

Special Sermons Will be Preached  
And Usual Ceremony Will be  
Followed at Catholic Church

#### EXTRA EFFORT TO GET CROWD

Palm Sunday, which will be celebrated tomorrow throughout the Christian world, will be the occasion of special, solemn religious services in all of the churches in this city.

The pastor of each congregation will deliver special Palm Sunday sermons either in the morning or at night and added effort is being made to have a one hundred percent attendance at the Sunday school service.

Palm Sunday, since ancient times, has been one of the most important feasts in the Catholic church and at St. Mary's church tomorrow previous to the ten o'clock service the palms will be blessed and distributed among the people, symbolizing Christ' triumphant entrance into Jerusalem when the multitudes strewed palms in His path.

#### \$14,800 WORTH OF HOGS

Ellis Culbertson of near Glenwood sold one hundred and thirteen hogs Thursday which averaged 284 lbs. and brought the sum of \$5,654.64. The latest check makes a total of \$14,800 which Mr. Culbertson has received from hogs raised and marketed from his farm during the last fourteen months.

Your 1918 auto license is ready for you. Louis Hiner, at the Republican office.

### Get Long Battery Life Through Good Battery Care

Unless you give your battery the care it deserves you can't expect it to keep on giving you the service you demand.

You can't get that service day in and day out unless you add distilled water—unless you keep the battery charged.

You can get every mile of

service there is in that battery if you just follow carefully a few simple directions.

We'll be glad to tell you just how to take care of your battery if you'll stop for a few minutes. And also ask us about the Still Better Willard Battery with Threaded Rubber Insulation.

# Astounding Statement By Springfield, Ohio Woman

**Troubled With Dropsy, Indigestion, Nervousness and Improper Assimilation, Her Case Baffled Medical Skill. Read How, Drop by Drop, Hull's Superlative Restored Her to Health.**

I am so thankful for that accidental meeting we had on North Capitol Ave., Indianapolis, about eight years ago, when my health was so wretched and my condition so alarming, for I had taken drugs, not medicine, until I fairly despised the title of Doctor, and when I was no longer able to keep up I felt that "Hull's Superlative" was the only thing that might reach my trouble for I remembered so well how you stood on the opposite side of the room looking in my face and telling me just what my trouble was, when never a doctor (and I had consulted dozens of them) could tell what the trouble was.

When in answer to my telephone call you called me on that last Saturday morning of August, 1908, at my home, 2423 Kenwood Avenue, it seemed a long journey from kitchen

heart, a very serious case of female trouble, a deranged stomach, a lazy liver and a complete prostration of the inner nerves, from which I had suffered since the birth of my eldest daughter in 1902.

Dr. Hull had told me how the water would pass out of my system, and it truly began in about four weeks, quarts and quarts of water passed from my system, and in less than one week my weight was reduced from 180 pounds to 135 pounds.

My neighbors stood aghast. "What are you taking, Mrs. Dutton?" "Hull's Superlative." Christmas time came. I was still taking of my first bottle of medicine, and, Oh the joy of that first bottle of medicine. I kept on taking Hull's Superlative until I had taken the second bottle—more than six months for two dollars. Besides I had always suffered from my earliest womanhood days with a dull misery in the small of my back. This, too, was gone.

Do you wonder I sing the praise of Hull's Superlative? I say most

Three men of note of the present age will be discussed at the regular meeting of the Sorosis club which will be held Tuesday afternoon at the home of Mrs. C. M. George in North Main street, with Mrs. H. H. Elliott, assisting hostess.

Following the responses to the roll call Miss Florence Elliott will discuss O. Henry, the famous short story writer, after which Miss Jessie Murphy and Mrs. J. T. Paxton will discuss the lives and work of Thomas Edison and Booth Tarkington.

"The Taming of the Shrew," will be the subject of the lecture to be delivered by Mrs. Demarchus Brown on Monday evening when the members of the Monday Circle will entertain their husbands at the home of Mrs. J. C. Sexton in North Main street. The meeting, usually held in the afternoon, has been changed until evening in order that more of the guests wishing to hear the lecture, may be in attendance.

An interesting miscellaneous program, in which opera music will predominate, is being prepared by Mrs. Neff Ashworth for the regular meeting of the Monday Musicales which will be held Monday afternoon in the sheriff's room of the court house. Instrumental and vocal music taken from several operas will be the feature of the program.

At the meeting of the Men's Bible class of the United Presbyterian church which was held last night at the home of W. O. Frazee in East Sixth street officers for the coming year were elected as follows: president, Wash Allen; vice president, Hal Pike; secretary-treasurer, Dora Edwards. Rev. John T. Aikin was elected teacher.

Mrs. C. E. Bowman and Mrs. Humes of this city were among the guests at a meeting of the Woman's Home Missionary society of the First Methodist church in Connersville Thursday afternoon when Mrs. J. T. Lair was hostess.

An elaborate dinner party was given at the Scanlan House last evening when the guests were Mr. and Mrs. Wilbur Stevens, Miss Holton and Paul Stewart. Four delicious courses were served at the pretty decorated table.

The Mission Study class of the Epworth League will meet at seven-thirty Monday evening at the Methodist church. The third chapter of the mission study book will be the lesson of the evening.

The regular semi-monthly meeting of the Kappa Kappa Kappa sorority will be held Monday evening with Mrs. Charles Wilson at her home in North Main street.

Mrs. O. M. Dale will entertain the Wednesday afternoon bridge club at her home in North Main street, Wednesday afternoon, March 24.

Miss Bertha Helm will entertain the members of her Bridge club on Tuesday afternoon.

Red Cross Notes

In view of the telegram received recently by E. B. Thomas, chairman of Red Cross, from A. F. Bentley, state chairman, that Red Cross supplies are badly needed and there should be no slackening of efforts, the ladies of the Methodist church are urged to have a full attendance at the headquarters on Monday afternoon, the regular day to sew.

RUSHVILLE BOWLERS LOST  
Rushville bowlers lost 3 straight games to a Shelbyville team Thursday night by the total pins score of 2702 to 2270. The game scores were as follows: 915 to 783, 778 to 725, 1009 to 762. John Nipp, James Wooster, Bert Conde and Knowles Casady of this city bowled and their team was filled with a Shelbyville man.

## Social Calendar

### Monday

Meeting of Ladies Musicales in the afternoon, in the court house, at 2:15.

Guest meeting of the Monday Circle in the evening at the home of Mrs. J. C. Sexton, in North Main street.

Tri Kappa sorority meeting in the evening with Mrs. Charles Wilson, 905 North Main street.

Mission Study class of Epworth League in the evening at the Methodist church.

## PROMINENT SUFFRAGE WORKER ON PROGRAM

Mrs. Olive Lewis of Richmond Will  
Lecture at County Franchise  
Meeting Here Next Tuesday.

### 4 LEAGUES REPRESENTED

Mrs. Olive D. Lewis of Richmond, prominent in state suffrage work, will be the principal speaker at the county Franchise League convention to be held here on Tuesday afternoon of next week, beginning at 1:30 o'clock. It will be held in the court house. Four Leagues will be represented, the ones in the county being at Carthage, Milroy, New Salem and in this city.

Mrs. Lewis' timely subject is "Suffrage and Patriotism" and she, too, will speak on the federal amendment to the constitution. Other interesting features are also being added to the program. Reports of the accomplishments of each League will be given and officers for the county organization for the coming year will be elected. Representatives from each of the leagues will be present and a full attendance of members is urged by the county chairman, Mrs. A. L. Gary.

Paul D. Norris has filed suit in circuit court against Fred Knecht on an account, demanding \$2,500.

A son has been born to the wife of N. J. Gruell of New Salem. The baby has been named Harold.

## MOTHERS, DO THIS—

When the Children Cough, Rub  
Musterole on Throats  
and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frost-bitten feet and colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

## Hemstitching

makes beautiful table linens,  
curtains, etc.

Cotton thread 10c a yard, and  
silk thread 15c.

## Doctor said, "Bio-feren had done wonders for her."—

Case 1724—School teacher; Residence—Kentucky; severe operation; left her weak, anemic, nervous; low vitality. Physician recommended Bio-feren. Two weeks' treatment showed remarkable improvement. Doctor reported, "Bio-feren had done wonders for her."

Another case—Pennsylvanian, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feel much benefited. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair, but I feel that I will soon be able to do that."

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read these reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Bio-feren. It is not a stimulant. It is a builder—a builder of better health.

Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anaemia, melancholia, nervous debility, debility following infectious diseases, convalescence from acute fevers, etc.

There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula.

And don't forget that Bio-feren is sold only on condition that you will return the empty package and allow us to refund your purchase price if, for any reason, you are not fully satisfied. Please bear that in mind for it is very important.

Bio-feren sells at \$1.00 for a large package. Your druggist can supply you or we will send it direct upon receipt of \$1.00; six packages for \$5.00, should you have any trouble in securing it. The Santal Remedies Company, Masonic Temple, Cincinnati, Ohio.

THERE is no other corn planter in the world like the J. I. Case. It's the remarkable planter that drops 20 more perfect hills out of every 100. Thus in this way adds 7 bushels per acre to your corn crop. That increases your profits \$350.00 for every 40 acres you plant. We invite you to call and see this planter. See how it will actually pay its cost several times the first year you use it.

Come into our store any day and we shall be glad to demonstrate this machine. We want to show you the polished beveled plates, the two cut-offs, the drive from the main axle, and a host of other features. But best of all we want you to see right here a proof of accuracy in planting that will surprise you—it will do the same thing on your own farm.

Sold in Rushville by  
E. A. LEE

## Public Sale

We, the undersigned, will sell at public auction at our farm located 7 miles southwest of Rushville, 5 miles northwest of Milroy, 5 miles northeast of Gowdy, on the old Harrison Moore farm, on

### HOME GARDEN CLUBS HELP STIR INTEREST, GIVE AID TO AMATEURS

The more blisters you raise in cultivating, the less water your plants will need.

Weeds waste moisture and plant food. And they're not even pretty.

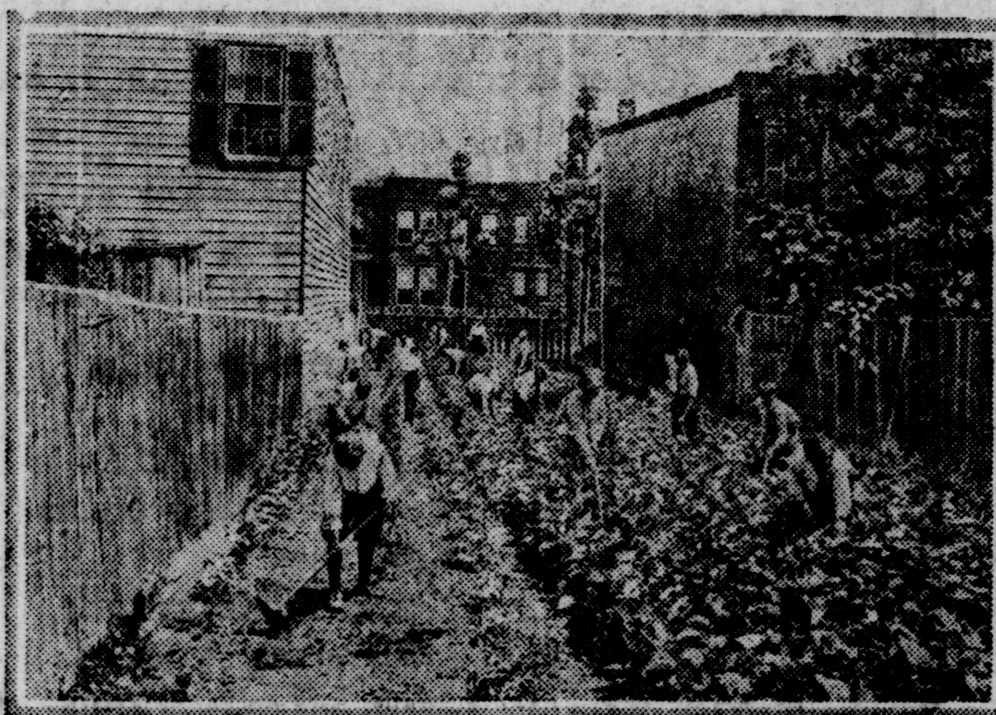

Have you filed your hoes? Some sticks to mark the rows?

Gardeners of a neighborhood, whether beginners or experienced, should find profit as well as pleasure in the formation of a local garden club, in the opinion of specialists of the United States Department of Agriculture. The meetings can be conducted on the basis of experience meetings to the mutual advantage.

erative work and co-operative buying. The club members may unite to do the heavy work in breaking up a neighbor's garden; and should emergency arise, may help in preventing damage by storm or flood or insect visitation. If insect attacks can not be met by simple methods, the gardening club may buy a sprayer for use of all its members. Costly garden tools needed only occasionally also may be obtained in this manner without hardship to the individual gardener.

#### Interest Boys and Girls.

An important feature of the work can be the organization of boys' and girls' garden clubs, separate from the adults. In banding together the young folks to help in the campaign

Boys Organized Like These (in Washington, D. C.) Work Wonders in Vacant Lots and Neighborhood Gardens.

tage of all. Beginners can take advantage of the experience of successful gardeners, and thus obtain much valuable advice they may not find in books or papers on gardening. In the present emergency, it is pointed out, it is not only a privilege but a duty to pass on the results of garden experience when such experience may save another from error or increase his chances of success.

#### May Buy Together.

Another use of the neighborhood garden club may be found in co-op-

for more food, assistance may be obtained from the States Relation Service of the United States Department of Agriculture in co-operation with the State agricultural colleges. It is regarded as important that the boys and girls be interested, for many of the light tasks of gardening can be performed by them and they will do them willingly if given a partnership in the undertaking. Exhibits of garden products and other outgrowths of the club idea may suggest themselves to the club organizer.

### WORD FROM LOWELL HENLEY

#### 'Safe and Well' is Brief Message From Boy in France

"Safe and well" was the brief message contained in a cablegram received yesterday by Mrs. Leonard Clark from her brother, Lowell Henley who arrived in France over a week ago. Although Mrs. Clark had been notified of the safe arrival of her brother in Europe by the cards sent out by the war department as soon as the transport was safely landed, this was the first direct message received from the former Rushville boy, who is a member of the aviation corps.

Lieut. D. D. Dragoo, Rushville veterinarian who was recently called to Camp Meade, Maryland, is in charge of the horses of the 156th artillery and the 338th infantry, according to word received here by friends.

#### JUST WHAT SHE NEEDED.

When women complain of weariness, loss of strength and vitality, backache, pains in sides and hips, dull headaches, dizziness, floating specks, and similar ailments, they too often accept these troubles as their lot because they are women, when the ailments may be the result of disordered kidneys. Mrs. Mary V. Bunker, Milton-on-the-Hudson, N. Y., writes: "I am now on my second bottle of Foley Kidney Pills. They seem to be just what I needed. Try them. F. B. Johnson. (Ady.) 6

## PERUNA in Your Home

A housewife must give the first aid in colds, coughs and other ailments. Her promptness in applying the remedy often saves a serious illness. Her experience with remedies has led her to know that PERUNA is always reliable, that she should have it on hand for the immediate treatment of coughs and colds, and that it is always to her.

Mrs. George Parker, 419 Water St., Menasha, Wis., writes: "We have used Peruna in our family for a number of years, and have found it a perfectly reliable medicine. It soon rids the system of any traces of a cold, and prevents serious consequences. I began using it for catarrh, which I suffered with a good many years, but had not been very serious until recently. Since I have taken Peruna the dropping in my throat has discontinued, and my head and nose are not so stopped up in the morning. I am pleased with the results, and shall continue to use it until I am entirely rid of catarrh. I heartily recommend it as an honest medicine. What it does for her it is ready to do for you."

### The Family Safeguard

The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their family safety in danger without PERUNA.

#### Colds and Catarrh

The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market proves it beyond question, to be the reliable family remedy, ever ready to take, preventing the serious effects of colds, coughs, grip and derangements of the digestive organs. This proof is published from time to time and many families have profited by it.

Remember you can obtain PERUNA in tablet form for your convenience. Carry it with you and be fortified against sudden attacks. The Peruna Company, Columbus, Ohio

## Every Meal Needs

You will find in our stock something special for every meal and for every occasion. In this time of urgent necessity for the saving of wheat, meat, sugar and fats we have been very fortunate in having in stock at all times a great variety of substitutes suggested by the Food Administration.

Just now we suggest the use of Dried Fruits. There is nothing more palatable or nourishing and they require very little sugar in preparing.

A visit to our store will suggest to you many ways of saving the foods needed for our army without stinting yourself in any way.

### ALMOST A YOUNG MAN AGAIN.

When a man awakes in the morning with back so stiff he can hardly stoop over, with shooting twinges in sides and groins, dark and puffed pouches under eyes—when his movements seem slowed up and he lacks vim and energy—instead of saying "I'm getting old," he should be on guard against kidney trouble. E. R. Whitehurst, R. F. D. 1, Norfolk, Va., writes: "I had been suffering for more than a year, but since taking Foley Kidney Pills I feel almost a young man again." F. B. Johnson. (Adv.)

### COURT HOUSE CLOCK TO BE MOVED FORWARD

Hands Will be Set up an Hour Saturday Midnight Before Easter, Custodian Says

#### WHEN TO MAKE UP LOST HOUR

Rushville people may arise on Easter morning and rest assured that they will find the court house clock correct, according to the new daylight saving schedule because the hands of the clock will be moved up an hour Saturday midnight before Easter, Sam Buckner, custodian of the court house has announced. So it matters not whether the family alarm clock or the one which sits on the mantle is turned up Saturday night, the court house clock will be right with the world anyway.

The Rushville Ministerial association regrets that the change is made on Easter morning, the biggest day of the year in the church, but will patriotically co-operate to make the change over to the new daylight schedule a success in every particular. The association suggests that the lost hour be made up Saturday night by business generally closing an hour earlier so that most people will not rise an hour late Sunday morning, thus causing them to be late or miss all together the church services.

### WILL COMPLETE WAR FUND SUBSCRIPTIONS

Mayor Arthur B. Irvin Appointed to Head the Campaign Here.

#### FOR THE SALVATION ARMY

On Monday of next week, Envoy Tineher of the Salvation Army will start taking contributions to complete the raising of Rush county's allotment of \$500 for the Salvation war fund. Three hundred and seventy dollars was raised for this fund by Captain VanEgmond before leaving here, making one hundred and thirty dollars yet to complete the county's part toward the national fund. An intensive campaign will be started early next week.

Mayor Arthur B. Irvin has been appointed to represent the state organization in this county and has approved of the raising of the fund and the contributions being given to Envoy Tineher. Moreover, the state Council of Defense has approved the raising of the fund. The resolution passed at a recent meeting of the state body read: "Be it resolved, that the Indiana Council of Defense gives its approval for the solicitation of the Salvation Army for their war fund."

### Amusements

#### At The Gem

Today's program at the Gem theatre includes a two act drama of the wilds of Africa, "Between Man and Beast," a two act riot of fun, "Our Boys," Pokes and Jabs in an extra good comedy, "Tough Luck." Monday and Tuesday's picture, "The Ordeal," featuring Miss Anna Laughlin is a timely photoplay, rich in beautiful scenery, full of action and intense thrills.

#### At The Princess

Variety is offered in tonight's program at the Princess theatre. George Beban takes the lead in "Lost in Transit," the first picture, which is a story crowded with mystery and pathos. The comedy billed is "A Milk Fed Vamp." On Monday afternoon and evening Dorothy Kelly and Montague Love appear in "The Awakening," a meaningful drama. Bessie Barriscale will appear on Wednesday in a masterful production, "Within the Cup."

#### PARKED ON WRONG SIDE

Rue Webb was fined one dollar and costs in mayor's court yesterday afternoon being brought up on a charge of parking on the wrong side of the street. Mr. Webb is the ninth person who has been brought up during the last week for violating a motor vehicle law.

St. Paul's Methodist church, Rev. C. S. Black, pastor: A special program at the Sunday school hour, 9:30—4:00 present at this service is the goal for Palm Sunday. At 10:30 the pastor's sermon, theme "The Prophecy of Palm Sunday." Junior League at three o'clock. Epworth

League service at six o'clock with a number of special features. Evening worship at seven o'clock, sermon topic, "The Name Above Every Name." Special music both morning and evening. A hearty welcome to all.

A ten and one half pound boy was born to the wife of Dr. E. E. Young of Kokomo this morning. The child, who is a grandson to Sam Young of this city, has been named Richard Elmer. W. M. Myers is ill at his home in North Spencer street.

# How Germany Devours The Little Nations

While his Turkish partner turns again to the wholesale murder of Armenians, the Kaiser, contemplating with satisfaction the heavy bag of little nations that is the reward of his sportsmanlike prowess, permits himself to "live again one of those great moments in which we can reverently admire God's hand in history." Moreover, "with gratitude toward God" in his heart, he faces the future "firmly trusting in the sword." The phrase, "no annexations and no indemnities" was still on its lips when Germany closed its mailed fist over Russia's Baltic provinces, Finland, Poland, the Ukraine, and Roumania, and now the same clutching menace seems to be moving toward Sweden, Norway, and Denmark. *Will Germany be able to digest what she is devouring?*

Read THE LITERARY DIGEST this week for a full account of Germany's ruthless seizure of nations and peoples and the opinion of America, as presented by its newspapers, on her action.

## "The Digest"---For People Who Are Not Afraid of the Truth

Never before perhaps in the history of the world has it been more difficult to arrive at the actual truth regarding the tremendous events that are occurring from week to week. Empires are falling, huge tracts of territory are changing hands, and the political complexion of States is being completely altered over night. To know the real facts regarding these epoch-making occurrences is a vital necessity for every one of us, yet there are innumerable influ-

ences, both domestic and foreign, that tend to keep the issues clouded and the exact developments in doubt. To obtain the truth you must find a news-magazine that gives you the facts impartially, from whatever source they may be derived, that has no policy but to state conditions as they are, without gloss or concealment, and that leaves your judgment absolutely unfettered. Such a magazine is THE LITERARY DIGEST. You need it.

## BREAK THROUGH BRITISH LINES

### Germans Penetrate West of St. Quentin

On North of Battle Front English  
Hold Their Position, Field  
Marshal Haig Reports

GO TO PREPARED POSITIONS

Defensive Zone is Broken For First  
Time Since Armies Were Es-  
tablished in Trenches

GERMANS HAVE FRESH MEN

This is Advanced as Reason For  
Offensive Developping With Un-  
paralleled Rapidity

#### BULLETIN

With the British Armies in  
France, March 23.—Hard fight-  
ing is in progress on the British  
lines in many places.

At Bullecourt, Roussoy, and  
Lagnicourt, among others the  
fighting is very hot.

All these points are approx-  
imately in British lines as they  
were before the attack, indicat-  
ing that in these places at least  
the Germans have made little  
progress.

#### Break Through at St. Quentin

London, March 23.—The Germans  
have broken through the British de-  
fensive system west of St. Quentin,  
the field marshal reported today.  
The British are falling back to pre-  
viously prepared positions.

"Powerful hostile attacks  
with a great weight of infantry  
and artillery broke through our  
defensive system west of St.  
Quentin," the statement said.  
"Heavy fighting continues on  
the whole battle front."

West of St. Quentin we are  
falling back in good order  
across the devastated area to  
prepare positions farther west.

"On the north of the battle  
front we hold our position. Very  
heavy fighting with enemy  
forces is progressing."

For the first time in the war on  
the western front since the opposing  
armies established themselves in  
their trench systems, the defensive  
zone has been broken through. In  
other great attacks the British,  
French and Germans have been able  
to bend back the line, but not to  
strike through the zone of defense.

### VAST SUPPLIES ARE BEHIND GERMAN LINE

Is Declaration Made by German  
Newspapers Saying Airplanes  
Have Increased 10-Fold

GERMANY'S DECISIVE HOUR

(By United Press.)  
Amsterdam, March 23.—Members  
of the German reichstag stood while  
its vice-president expressed thanks  
to the army.

He said the German people are  
conscious of the gravity of this de-  
cisive hour and have the fullest con-  
fidence in the army and leaders.

German newspaper correspond-  
ence places great stress on the vast-  
ness of materials back of the Ger-  
man west front.

They declare the number of Ger-  
man airplanes has been increased  
10-fold and describe huge tanks of  
compressed gas and batteries of liquid  
nitrogen.

#### Offensive May Have Serious Effect On War Plans of United States

Washington, March 23.—A  
long continued German offen-  
sive in the west will have a ser-  
ious effect on the war plans of  
the United States as well as  
France and Britain. Members  
of the senate military affairs  
committee conveyed this im-  
pression today following their  
conference with the war council.  
There was no tendency, how-  
ever, senators said, to doubt the  
ability of the British to confine  
the enemy to comparative small  
and costly gains.

#### Late Flashes on Drive

(By United Press.)  
Berlin, March 23.—Crown Prince  
Rupprecht's forces have captured  
25,000 prisoners, 400 cannons and  
300 machine guns, the Berlin war  
office announced today.

Paris, March 23.—Paris was raid-  
ed by enemy air forces today, it was  
officially announced. There were  
several victims.

London, March 23.—French  
forces to the right of the British  
line are now engaged, the dispatches  
from the front declared today. Ev-  
ery available gun has been con-  
centrated against the enemy.

London, March 23.—Secretary  
Baker visited the Belgium front Fri-  
day and had a long talk with King  
Albert, it was announced here today.  
There has been considerable raiding  
and artillery on the Belgium front in  
conjunction with the present drive.

Copenhagen, March 23.—German  
papers received today declared the  
present battle on the West front is  
final and decisive. They character-  
ize it as the last exertion of strength  
before peace. "Germany only needs  
to hold a short time to obtain vic-  
tory," it was declared. "The army  
leaders probably intend the enemy to  
bleed to death before the final at-  
tack."

Many military critics had reached  
the opinion that on account of the  
strength of the lines it would be im-  
possible to break them until one  
side or the other had been worn  
down to such a point that it would  
be no longer able to man it strongly.

Unless the British are able to re-  
store the situation by a counter at-  
tack, a withdrawal on a wide front  
may be necessary with open field  
warfare.

The point at which the British

#### Casualties Estimated

At Over 200,000 in  
Killed, Wounded, Missing.

Washington, March 23.—Ac-  
cording to official estimates of  
the casualties occurring thus  
far in the great battle, more  
than 200,000 men have been  
killed, wounded and captured  
in the two days fighting.

British estimates place the  
German losses at 150,000 men,  
while nothing official has come  
from the front throwing a defi-  
nite light on the British losses.  
They are estimated at approx-  
imately half those of the Ger-  
mans—between 75,000 and  
100,000 men.

#### LAND SALE FRAUDULENT McAllister Real Estate Exchange Barred From Mails

(By United Press.)  
Washington, March 23.—The Mc-  
Allister real estate exchange of  
Oklahoma was barred from the  
mails today by the post office de-  
partment for alleged fraudulent real  
estate sales in Indian land. The  
McAllister company, according to  
the memorandum of the postoffice  
department, sold Indian land to set-  
tlers giving the impression that this  
company was acting for the govern-  
ment. Indictments of officials of  
the company will be asked according  
to postal officials.

#### HAS 2 WIVES SINCE COURT WAS REVERSED

George Hoffman, Who Was Prose-  
cuting Witness Here in Stevens  
Case, in Peculiar Situation.

#### DEVELOPMENTS IN FAYETTE

George Hoffman, who was prose-  
cuting witness in the assault and  
battery cases against Omer and  
Manford Stevens of this county in  
court here the latter part of last  
year, finds himself with two wives  
since the state appellate court has  
reversed the decision of the Fayette  
circuit court granting him a divorce  
from his wife, Dessie Hoffman, three  
years ago. Since the divorce, the  
decree in which he was given the  
custody of the child, he has re-  
married.

The first Mrs. Hoffman is a niece  
of the Stevens brothers and was liv-  
ing at their home when Hoffman  
called to see his son. (It is alleged  
that the Stevens brothers assaulted  
him. Manford was fined \$50 and  
costs Sept. 5, 1917 after the jury in  
the court here found him guilty of  
assault and battery. The trial of his  
brother began Oct. 8 of last year,  
and on Oct. 10 the jury disagreed  
and was discharged.)

Trial of a suit brought by the first

#### WELL KNOWN SOLDIER WOUNDED IN ACTION

Telegram Announces Member of  
Rainbow Division Injured Mar.  
18 on Duty

NEPHEW OF J. P. ARCHEY

One of the first soldiers, well  
known through Rush county, to be  
wounded in battle with the Germans  
is Ora O. Archey, 23, nephew of J.  
P. Archey of Anderson township.  
The young man formerly residing in  
Waldron, Shelby county but for two  
years has lived with his parents in  
Indianapolis.

A telegram was received by his  
parents Thursday, announcing that  
the young artilleryman had been  
seriously wounded in action March  
18. The word was received yester-  
day by a host of relatives of the  
wounded soldier, who reside south  
of this city.

The young man enlisted last April  
in the E battery of the One Hundred  
and Fifth field artillery and drilled  
with that unit from the time of  
its organization until August in the  
old army in Indianapolis. He en-  
camped at Fort Harrison on August  
5 and left with the Rainbow division  
for the trip overseas.

#### STRICT ORDERS TO COAL DEALERS

Permission of Administrator Necess-  
ary for Group of Consumers to  
Secure Carloads

LOWER PRICE IS PROMISED

State Will Be Governed by Conser-  
vation Measures from Wash-  
ington after April 1

Early ordering of next winter's  
coal supply is the advice of the  
county fuel administrator, Samuel  
L. Trabue, and with memories of  
last winter's coal shortage, little  
persuasion will no doubt be needed  
on the part of the administrator.  
Mr. Trabue calls attention to the  
fact that by April first the govern-  
ment price of coal will be set and  
there will be no advantage in delay-  
ing ordering one's supply of coal  
for next winter.

The maximum amount of anthra-  
cite coal that may be delivered is  
six tons. The order says that or  
after April first and until further  
notice, no retail dealer may, un-  
less authorized by the federal fuel  
administrator, deliver or cause to be  
delivered to any domestic consumer  
more than two-thirds of his normal  
requirements of anthracite coal un-  
til each domestic consumer who has  
placed his order with the dealer and  
is willing to receive delivery of it  
has received two-thirds of his nor-  
mal annual supply for the year end-  
ing March 31, 1919, provided how-  
ever that orders of six tons or less  
may be filled in full.

Permission of the county adminis-  
trator is necessary for a single do-  
mestic consumer or a group of con-  
sumers to secure coal in carload or  
large lots.

That consumers will feel warrant-  
ed to buy Indiana coal, an inspection  
system is to be established to insure  
clean coal. Many consumers here,  
remembering the experiences which  
they had last year, will receive this  
bit of news with satisfaction.

The regulations received by the  
county fuel administrator provide  
that every consumer should place  
with his dealer on or before April  
first a written statement of his re-  
quirements of coal for the year be-  
ginning April first which he shall de-  
clare to be correct. The statement  
shall show (1) the amount of coal  
the consumer has on hand, (2) the  
amount of coal he has on order and  
name of the person from whom he  
ordered (3) the amount of coal used  
by him in the 12 months ending  
March 31, 1918 and (4) the amount  
of coal needed to meet his actual  
and necessary requirements prior to  
March 31, 1919, provided however  
that this regulation may be modified  
by any state fuel administrator  
within such circumstances and con-  
ditions as he may deem proper.

According to government bulletin  
No. 22 received by the county fuel  
administrator, the state will be gov-  
erned by conservation coal measures  
from Washington. The new regu-  
lations point out that the jobber's  
compensation if any must come out  
of the government price of the mine  
and may not be added to it as has  
been done in many cases in the past.  
This will tend to decrease slightly  
the price of Indiana coal.

Every consumer is urged to place  
his order now for sufficient coal for  
his reasonable requirements for the  
coming year. To safeguard the  
hoarding of coal and make certain  
that the consumers take an amount  
sufficient to last them through the  
next winter, the dealers are required  
to file with the county administrator

#### ANSWER APPEAL FOR BOOKS Boy Scouts Collect Reading Mater- ial For Soldiers

Boy Scouts, loaded down with li-  
brary books, were headed toward  
the library all day today bringing  
in Rushville's contribution to the li-  
brary commission of books to be  
sent to training camps in this coun-  
try and Europe. Many persons  
brought in their own books and a  
valuable collection has resulted.  
Names of the donors appeared on  
the fly leaf of many editions, and  
the camp to which they wished their  
contributions to be sent.

#### WILL OF MARY DIXON ADMITTED TO PROBATE

Codicile Written Feb. 8 Provides  
Estate at Son's Death Shall go  
to Daughter

CHARLES A. MAUZY TRUSTEE

The will of Mrs. Mary A. Dixon,  
who died March 2, has been admit-  
ted to probate in the circuit court.  
The will proper provides for the ap-  
pointment of Lon Link to act as  
trustee of the estate, but the codicil  
which was written February 8, 1918,  
says Charles A. Mauzy, Mrs. Dixon's  
son-in-law shall be the trustee of  
the estate and use whatever is  
necessary of it to care for her son,  
Frank Dixon. She also requests  
that Mr. Mauzy be made the guar-  
dian of her son. Mr. Mauzy has  
been appointed trustee under the  
will of Henry Dixon, deceased hus-  
band of Mrs. Dixon, which was writ-  
ten February 3, 1899 and left the  
estate in trust to Mrs. Dixon, it to  
go to her son at her death.

The codicil of Mrs. Dixon's will  
distributes many of her personal be-  
longings among her relatives and  
friends and provides her grandchil-  
dren shall receive her Liberty bonds.  
Although the will proper says the  
estate shall go to her grandchildren,  
the codicil provides all of the es-

#### TARRED, FEATHERED, FORCED TO KISS FLAG

Four Men Accused of Being Pro-  
German Handled Roughly at  
Christopher, Ill.

VIGILANTES TAKE A HAND

Christopher, Ill., March 23.—Four  
men charged with disloyalty were  
tarred and feathered, forced to kiss  
the flag and then driven from the  
town site here last night.

One of the men, Theodore Car-  
ger, convicted of disloyalty, was taken  
from the jail by a vigilance com-  
mittee numbering several hundred  
persons and dragged to the town  
square, where the coat of tar and  
feathers was applied.

Soon afterward the committee  
took the Rev. John Kovalsky, pas-  
tor of the Catholic church, from his  
home, stripped him to the waist and  
applied a coat of tar and feathers.  
He, too, had been accused of dis-  
loyalty.

The crowd then seized two other  
alleged pro-Germans and sent them  
from the district with coats of tar  
and feathers. An attorney who de-  
fended Carger was compelled to  
swear allegiance to the government  
and warned to leave the district.  
Numerous demonstrations against  
disloyalty have been made recently  
in this district.

#### DRIVE SHOULD BE BEGUN WITH WHOOP

Watch Meetings on Eve of Cam-  
paign and Appearance of Mod-  
ern Paul Reverses Urged

TO STIR UP THE COUNTRYSIDE

Deposits and Resources of Banks  
Announced—Basis For Deter-  
mining County Quota

The immediate necessity of or-  
ganizing carefully to send the Lib-  
erty Loan drive, opening two weeks  
from today, off with a whoop, is em-  
phasized in a letter received today  
from Walter S. Greenough, director  
of publicity in Indiana for the cam-  
paign.

Coincident with the urgent request  
for organization along the lines sug-  
gested by state headquarters, the  
local county chairman today an-  
nounced the bank deposits and re-  
sources in the county, upon which  
the quota for the county will be  
based. Total deposits in the thirteen  
banks and trust companies of the  
county are \$4,225,460.36 and total  
resources \$5,416,375.58. The re-  
sources of the two building and loan  
associations are \$107,676.30.

Watch meetings for the night of  
April 3 and patriotic meetings and  
parades the following day are some  
of the suggestions coming from the  
state publicity director. It is pro-  
posed that watch meetings be held  
in private homes, churches, schools,  
lodge rooms and at other public  
gatherings; that the singing of pa-  
triotic songs and offering of prayer  
for the success of the loan be the  
central themes. The sale of bonds  
can commence at this watch meet-  
ings, it is stated.

"In addition to these features,"  
says the publicity director, "will  
you not bend your efforts immedi-  
ately to the organizing of men to  
ride through the country districts  
and the city streets as Paul Revere  
rode more than one hundred years  
ago to awaken the countryside to  
the fact that again America faces a  
danger which may destroy her.  
Country boys should utilize their  
horses and their fathers' automo-  
biles for this feature, and in the  
city every street should be covered  
by these modern Paul Reverses."

In preparation for the drive, Will

#### BICYCLE COLLIDES WITH AUTOMOBILE

Colored Boy Injured in Accident  
Which Occurred at Street Cross-  
ing This Morning

SUSTAINS INJURY TO HEAD

John Johnson, colored, the fifteen-  
year-old son of Mr. and Mrs. John  
Johnson of East Eighth street, was  
injured this morning when the bi-  
cycle which he was riding collided  
with the machine driven by E. O.  
Humes, who was not held to blame.  
The accident occurred at Sixth  
and Main streets shortly after 10:30  
o'clock. Both Mr. Humes and the  
Johnson boy were traveling north in  
Main street and it is stated that  
the rider of the bicycle attempted to  
cross in front of the machine to go  
east on Sixth street when he was  
struck. The boy was thrown to the  
pavement and as a result sustained  
several bruises, the most serious  
injuries, however, being to the head.  
A physician was summoned to the  
scene and the extent of the in-  
juries will be known.

March 27, 1918

At farm located 3 miles south of Butlerville, Ind., I will sell at public auction

77.82 Acres

Of good land consisting of about sixty acres fine plow land, balance timber and pasture with never failing water. DRIVE SHOULD BE BEGUN WITH WHOOP

Continued From Page 1  
H. Wade, vice-chairman for Indiana, has requested that the deposits and resources of each of the banking institutions of Rush county be published. It is upon these figures that the quota for Rush county in the drive will be determined and the allotment of bonds will be given to each bank.

The deposits and resources of each of the thirteen banks in the county follow:

DEPOSITS RESOURCES  
Bank of Carthage \$309,293.23 \$446,196.88

Arlington Bank \$129,798.54 \$163,049.55

Manilla Bank \$387,620.66 \$499,877.44

Milroy Bank \$219,977.99 \$248,570.62

Rush County National \$660,043.90 \$993,756.35

Rushville National \$419,397.16 \$645,706.71

Farmers Trust Company \$128,087.01 \$183,999.15

People's National Bank \$680,295.55 \$829,552.01

People's Loan and Trust Company \$753,097.00 \$818,531.17

First National Bank—Mays \$168,289.42 \$230,567.48

Falmouth Bank \$117,354.48 \$133,790.52

Glenwood State Bank \$183,191.78 \$221,935.56

HAS TWO WIVES SINCE COURT WAS REVERSED

Continued From Page 1  
Mrs. Hoffman for modification of the divorce decree was being conducted in Connersville when the appellate court reversed the lower court and it came to a sudden end. The child was ordered brought into the Fayette court yesterday but when the authorities went for it the boy had been taken away and can't be found. If it is said the grand jury at Connersville will investigate.

TWO JUDGMENTS AWARDED

Two Other Suits Are Dismissed in The Circuit Court

Judgment has been returned in two suits on notes, a claim against an estate and a suit on a note dismissed in circuit court. Walter E. Smith was given judgment against Owen Sweet et al. on a note for \$59.84, including \$10 attorney fees.

Frank M. Gordon was given judgment on a note against Mathew Walker for \$90.94, including \$10 attorney fees. The claim of \$22.90 filed by John Shaw against the estate of William E. Tinsley was dismissed and the costs paid and the same action was taken in the case of George Whisman against Edward G. Carr on a note for \$500.

GERMANS PENETRATE WEST OF ST. QUENTIN

Continued From Page 1  
line has been broken is near the southern end of the German attacking front, which extends from Arras to La Fere, fifteen miles below St. Quentin. Below this sector is the great arc in the front, where the line, approaching nearest to Paris, turns sharply to the east.

The German offensive has developed with almost unparalleled rapidity. One reason for this is indicated in Field Marshal Haig's reports, showing that the Germans are constantly bringing up fresh bodies of troops.

Americans Repeat Raid

With the American Army in France, March 23.—American soldier's Wednesday night who raided German trenches repeated the raid Friday morning. Dagouts had been smashed during the night by our artillery.

The enemy front line was lightly held. All the occupants were wiped out.

MAKES BRITISH CAUTIOUS

London, March 23.—Lack of German efficiency in strategy and weapons in their offensive has made the British cautious. They believe the enemy may try a surprise—perhaps an attack to the north—when the British reserves are diverted against the present center of the German advance in the Cambrai sector.

Germans are attacking positions which they want abandoned, but are paying more heavily than they can afford and more heavily than the positions are worth for the slight advancement.

WILL OF MARY DIXON ADMITTED TO PROBATE

Continued From Page 1  
tate at the death of her son, shall go to her daughter, Mrs. Charles A. Mauzy. The will also says \$40 a month shall be paid the deceased's sister, Mrs. Belle Dunnohew, or \$50 if it is necessary.

THREE MORE CANDIDATES

Three more candidates have announced themselves for places on the county tickets at the primary May 7. Howard Campbell of Milroy wants the republican nomination for recorder. Wilbur E. Logan of Noble township is a candidate for the democratic nomination for county councilman in the second district and Royal Orme of Rushville township wants the democratic nomination for third district councilman.

LIKELY NOT TO INTERVENE

(By United Press.)  
London, March 23.—Premier Terachi told the Japanese house of peers today that the government is not considering intervention in Siberia where enemy war prisoners are no real menace, according to dispatches from Tokio.

William Wilcox of Gwynneville has traded three houses at the corner of Julian and Third streets, one facing in Third and the other two in Julian, for the five-acre tract of Elbert S. Carr's just west of the corporation line in First street. Mr. and Mrs. Carr and family will move to the Third street house, which was formerly the Brown property, and Mr. Wilcox will move from Gwynneville to the Carr property.

Mrs. James Goodbar is suffering from an attack of tonsillitis at her home in North Barton street.

Garland Newhall underwent an operation at the Dr. Sertum hospital yesterday for appendicitis.

John McGee of North Moravia is ill.

THE BULL-DOG BEATER WHEEL

This bull-dog wheel is all that its name implies. It is one of the foundations on which the Litchfield Spreader Line fairly stands.

This beater wheel is entirely unlike the ones used on all other machines in the world. The manufacturers claim THIS ONE PATENTED FEATURE to be worth more to any spreader than all the best features combined, which are controlled by all other competing machines.

This is the only beater wheel used on manure spreaders that CANNOT BE CLOGGED by any kind of material that is ordinarily used in a spreader. The principle is unique and different from everything else. It operates on the plan of one set of teeth working ahead of another set. What one set of teeth fail to get the other set takes good care of. Come in and see it and we will explain all the details.

It does the work that TWO beater wheels would do if it were possible for two wheels to operate on the SAME SHAFT and in the SAME SPACE, one working an inch and a half deeper in the load all the time, than the other. Owing to its peculiar construction, it TAKES CARE of the material as it comes from the box, tears it into pieces and distributes it with uniformity and WITHOUT PACKING OR CLOGGING.

The whole secret is the peculiar makeup of the diamond pointed LONG and SHORT teeth which are so arranged that no material gets by them and drags on the bars that hold the teeth. This beater wheel is light running, flexible and all steel. Our owners tell us that the power it requires to do its work is almost negligible.

Christian Fox has sold his farm of 125 acres located north of the city to Joseph Hammond of Milroy for \$192 an acre.

**Relief from Eczema**

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using a little zemo, obtained at any drug store for 35c, or extra large bottle at \$1.00. Zemo generally removes pimples, blackheads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.  
 The E. W. Rose Co., Cleveland, O.

**DRINK HOT WATER BEFORE BREAKFAST**

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

To-morrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal. Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside-bath. It is said that men and women who try this become enthusiastic and keep it up daily. It is a splendid health measure for it is more important to keep clean and pure on the inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do.

The principle of bathing inside is not new, as millions of people practice it. Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.

### HAS SUPPLY OF SEED CORN

M. F. Detrick Can Obtain White Corn for Farmers

Marion F. Detrick county emergency agent who has successfully supplied scores of farmers in the county with seed corn during the past two months, announced today that he can supply more farmers with Johnson county white seed corn if they make their wishes known to him at once. The corn is in Indianapolis and as there is only two carloads obtainable the orders will have to be placed with the agent at once if they desire a shipment.

### MINISTERS TO SPEAK AT EPWORTH LEAGUE

Subject Will be Studied in Light of Soldiers Giving Their Lives For Others

#### HE DIED IN MY STEAD TOPIC

The Rev. C. S. Black and the Rev. L. E. Brown will give short addresses at the Epworth League meeting at six o'clock tomorrow evening on the subject, "He Died in My Stead." A number of other features will also be on the program, including a violin solo by Charles Ernest Parke, a vocal duet by the Misses Kathryn Guffin and Kathryn Wooden, a reading by Frances Payne, a vocal solo by Miss Sylvia Wolters, a talk by the leader, Miss Gladys Bebout and scripture readings by Louise Pittman, Dorothy Wheeler and Margaret Guffin.

The subject of the evening will be taken up in the light of Christ "dying in my stead" and of the soldiers of today offering to give their lives for others.

Persons attending the League tomorrow evening may bring library books to be given to the soldiers and they will be handed over to the library here.

### TICKETS GO ON SALE TODAY FOR LODGE PLAY

"Damon and Pythias" Will be Presented by Knights of Pythias Wednesday Evening

#### WHAT THE PROCEEDS ARE FOR

Tickets were put on sale today at the Hargrove and Mullin drug store for the play, "Damon and Pythias," to be given on next Wednesday evening in the Graham Annex by the members of the Knights of Pythias lodge under the auspices of the Willing Workers' class of the Methodist church. The proceeds from the play will go toward paying the lodge dues of Knights of Pythias in the service and toward the Sunday school class fund. The Sunday school orchestra will play between the acts of the play.

The play is given in connection with the lodge work and the men have had practice in producing it. Last year, they gave it in Connorsville and Shelbyville and have been asked to come back to Shelbyville with it this season.

### PALM SUNDAY TO BE OBSERVED TOMORROW

Special Sermons Will be Preached And Usual Ceremony Will be Followed at Catholic Church

#### EXTRA EFFORT TO GET CROWD

Palm Sunday, which will be celebrated tomorrow throughout the Christian world, will be the occasion of special, solemn religious services in all of the churches in this city.

The pastor of each congregation will deliver special Palm Sunday sermons either in the morning or at night and added effort is being made to have a one hundred percent attendance at the Sunday school service.

Palm Sunday, since ancient times, has been one of the most important feasts in the Catholic church and at St. Mary's church tomorrow previous to the ten o'clock service the palms will be blessed and distributed among the people, symbolizing Christ triumphant entrance into Jerusalem when the multitudes strewed palms in His path.

#### \$14,800 WORTH OF HOGS

Ellis Culbertson of near Glenwood sold one hundred and thirteen hogs Thursday which averaged 284 lbs. and brought the sum of \$5,654.61. The latest check makes a total of \$14,800 which Mr. Culbertson has received from hogs raised and marketed from his farm during the last fourteen months.

Your 1918 automobile is ready for you at Louis Hiner, at the Republic.

### Get Long Battery Life Through Good Battery Care

Unless you give your battery the care it deserves you can't expect it to keep on giving you the service you demand.

service there is in that battery if you just follow carefully a few simple directions.

You can't get that service day in and day out unless you add distilled water—unless you keep the battery charged.

We'll be glad to tell you just how to take care of your battery if you'll stop for a few minutes. And also ask us about the Still Better Willard Battery with Threaded Rubber Insulation.

You can get every mile of

# Astounding Statement By Springfield, Ohio Woman

Troubled With Dropsy, Indigestion, Nervousness and Improper Assimilation, Her Case Baffled Medical Skill. Read How, Drop by Drop, Hull's Superlative Restored Her to Health.

I am so thankful for that accidental meeting we had on North Capitol Ave., Indianapolis, about eight years ago, when my health was so wretched and my condition so alarming, for I had taken drugs, not medicine, until I fairly despised the title of Doctor, and when I was no longer able to keep up I felt that "Hull's Superlative" was the only thing that might reach my trouble for I remembered so well how you stood on the opposite side of the room looking in my face and telling me just what my trouble was, when never a doctor (and I had consulted dozens of them) could tell what the trouble was.

When in answer to my telephone call you called me on that last Saturday morning of August, 1908, at my home, 2423 Kenwood Avenue, it seemed a long journey from kitchen

heart, a very serious case of female trouble, a deranged stomach, a lazy liver and a complete prostration of the inner nerves, from which I had suffered since the birth of my eldest daughter in 1902.

Dr. Hull had told me how the water would pass out of my system, and it truly began in about four weeks, quarts and quarts of water passed from my system, and in less than one week my weight was reduced from 180 pounds to 135 pounds.

My neighbors stood aghast. "What are you taking, Mrs. Dutton?" "Hull's Superlative." Christmas time came. I was still taking of my first bottle of medicine, and, Oh the joy of that first bottle of medicine. I kept on taking Hull's Superlative until I had taken the second bottle—more than six months for two dollars. Besides I had always suffered from my earliest womanhood days with a dull misery in the small of my back. This, too, was gone.

Do you wonder I sing the praise of Hull's Superlative? I say most

to the door to let you in, and after a talk with you I reluctantly gave you that first silver dollar, saying "I want it distinctly understood if this medicine doesn't help me I want my dollar back." I had used Hull's Superlative three weeks when one morning you came to the door with a silver dollar in hand and offered it to me, did I take it? I should say not. I was already feeling stronger and the Superlative was doing its work so surely but slowly I thought, and yet my neighbors were remarking, "What a marvelous change! Who are you doctoring with?"

It was not faith that cured me for when I took the first two drops at noon on that last Saturday of Aug. 1908, I said to my husband, I imagine this would do me just as much good if I should dump it in the sink and let it go down White River. I took two drops of the Superlative three times a day in a wineglass of water. In just four days all my pain left me, color came to my ears, of course my limbs were still swollen, in fact my whole body was swollen. It was in the first stages of a severe attack of Dropsy with a weak

truthfully it was a Godsend to me.

I have never been without it and as long as I live there will always be a bottle of Hull's Superlative in my medicine cabinet and I shall always sing its praise and my prayer shall always be that Dr. Hull may be spared yet many years and that God's richest blessings may be lavished upon him, and his greatest of all medicines, Hull's Superlative.

Will gladly answer any question you may want to ask providing a self-addressed, stamped envelope is enclosed.

Most sincerely,  
MRS. A. H. DUTTON,  
222 Stanton Ave., Springfield, Ohio.

All druggists sell Hull's Superlative on a money back guarantee for only \$1.00 a bottle and the A. J. Hull Medicine Company of Findlay, O., gladly supply any information desired.

For sale by all druggists.—(Adv.)

Three men of note of the present age will be discussed at the regular meeting of the Sorosis club, which will be held Tuesday afternoon at the home of Mrs. C. M. George in North Main street, with Mrs. H. H. Elliott, assisting hostess.

Following the responses to the roll call Miss Florence Elliott will discuss O. Henry, the famous short story writer, after which Miss Jessie Murphy and Mrs. J. T. Paxton will discuss the lives and work of Thomas Edison and Booth Tarkington.

"The Taming of the Shrew," will be the subject of the lecture to be delivered by Mrs. Demarechus Brown on Monday evening when the members of the Monday Circle will entertain their husbands at the home of Mrs. J. C. Sexton in North Main street. The meeting, usually held in the afternoon, has been changed until evening in order that more of the guests wishing to hear the lecture, may be in attendance.

An interesting miscellaneous program, in which opera music will predominate, is being prepared by Mrs. Neff Ashworth for the regular meeting of the Monday Musicians which will be held Monday afternoon in the sheriff's room of the court house. Instrumental and vocal music taken from several operas will be the feature of the program.

At the meeting of the Men's Bible class of the United Presbyterian church which was held last night at the home of W. O. Frazee in East Sixth street officers for the coming year were elected as follows: president, Wash Allen; vice president, Hal Pike; secretary-treasurer, Dora Edwards. Rev. John T. Aikin was elected teacher.

Mrs. C. E. Bowman and Mrs. James of this city were among the guests at a meeting of the Woman's Home Missionary society of the First Methodist church in Connersville Thursday afternoon when Mrs. J. T. Lair was hostess.

An elaborate dinner party was given at the Scanlon House last evening when the guests were Mr. and Mrs. Wilbur Stevens, Miss Holton and Paul Stewart. Four delicious courses were served at the pretty decorated table.

The Mission Study class of the Epworth League will meet at seven-thirty Monday evening at the Methodist church. The third chapter of the mission study book will be the lesson of the evening.

The regular semi-monthly meeting of the Kappa Kappa Kappa sorority will be held Monday evening with Mrs. Charles Wilson at her home in North Main street.

Mrs. O. M. Dale will entertain the Wednesday afternoon bridge club at her home, in North Main street, Wednesday afternoon, March 24.

Miss Bertha Helm will entertain the members of her Bridge club on Tuesday afternoon.

## Red Cross Notes

In view of the telegram received recently by E. B. Thomas, chairman of Red Cross, from A. F. Bentley, state chairman, that Red Cross supplies are badly needed and there should be no slackening of efforts, the ladies of the Methodist church are urged to have a full attendance at the headquarters on Monday afternoon, the regular day to sew.

## RUSHVILLE BOWLERS LOST

Rushville bowlers lost 3 straight games to a Shelbyville team Thursday night by the total pins score of 2702 to 2270. The game scores were as follows: 915 to 783, 778 to 725, 1009 to 762. John Nipp, James Webster, Bert Conde and Knowles Cassidy of this city bowled and their team was filled with a Shelbyville

## Social Calendar

### Monday

Meeting of Ladies Musicale in the afternoon, in the court house, at 2:15.

Guest meeting of the Monday Circle in the evening at the home of Mrs. J. C. Sexton, in North Main street.

Tri Kappa sorority meeting in the evening with Mrs. Charles Wilson, 905 North Main street.

Mission Study class of Epworth League in the evening at the Methodist church.

## PROMINENT SUFFRAGE WORKER ON PROGRAM

Mrs. Olive Lewis of Richmond Will Lecture at County Franchise Meeting Here Next Tuesday.

### 4 LEAGUES REPRESENTED

Mrs. Olive D. Lewis of Richmond, prominent in state suffrage work, will be the principal speaker at the county Franchise League convention to be held here on Tuesday afternoon of next week, beginning at 1:30 o'clock. It will be held in the court house. Four Leagues will be represented, the ones in the county being at Carlhage, Milroy, New Salem and in this city.

Mrs. Lewis' timely subject is "Suffrage and Patriotism" and she, too, will speak on the federal amendment to the constitution. Other interesting features are also being added to the program. Reports of the accomplishments of each League will be given and officers for the county organization for the coming year will be elected. Representatives from each of the leagues will be present and a full attendance of members is urged by the county chairman, Mrs. A. L. Gary.

Paul D. Norris has filed suit in circuit court against Fred Knecht on an account, demanding \$2,500.

A son has been born to the wife of N. J. Gruell of New Salem. The baby has been named Harold.

## MOTHERS, DO THIS—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frost-bitten feet and colds of the chest (it often prevents pneumonia). 30c and 60c jars, hospital size \$2.50.

## Hemstitching

makes beautiful table linens, curtains, etc.

Cotton thread 10c a yard, and silk thread 15c.

## Doctor said, "Bio-feren had done wonders for her."

Case 1724—School teacher; Residence—Kentucky; severe operation; left her weak, anemic, nervous; low vitality. Physician recommended Bio-feren. Two weeks' treatment showed remarkable improvement. Doctor reported, "Bio-feren had done wonders for her."

Another case—Pennsylvanian, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feel much benefited. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair, but I feel that I will soon be able to do that."

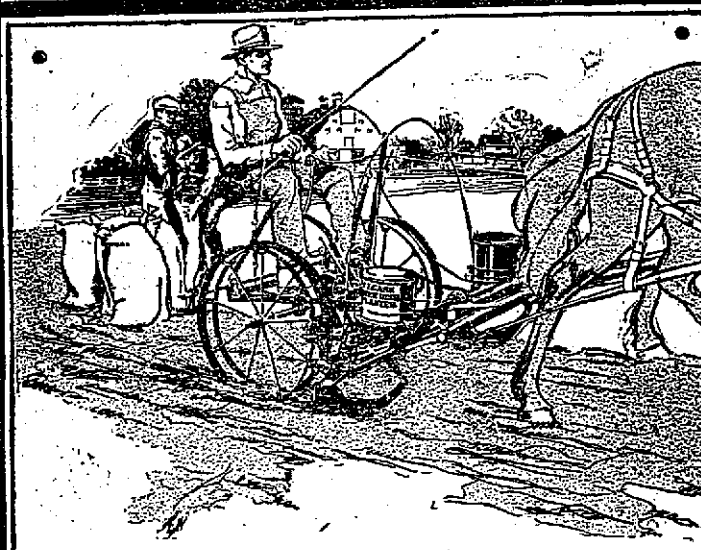

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read those reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Bio-feren. It is not a stimulant. It is a builder—a builder of better health.

Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anaemia, melancholia, nervous debility, debility following infectious diseases, convalescence from acute fevers, etc.

There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula.

And don't forget that Bio-feren is sold only on condition that you will return the empty package and allow us to refund your purchase price if, for any reason, you are not fully satisfied. Please bear that in mind for it is very important.

Bio-feren sells at \$1.00 for a large package. Your druggist can supply you or we will send it direct upon receipt of \$1.00; six packages for \$5.00, should you have any trouble in securing it. The Sentalen Remedies Company, Muspoc Temple, Cincinnati, Ohio.

THERE is no other corn planter in the world like the T. J. I. Case. It's the remarkable planter that drops 20 more perfect hills out of every 100. Thus in this way adds 7 bushels per acre to your corn crop. That increases your profits \$350.00 for every 40 acres you plant. We invite you to call and see this planter. See how it will actually pay its cost several times the first year you use it.

Come into our store any day and we shall be glad to demonstrate this machine. We want to show you the polished beveled plates, the two cut-offs, the drive from the main axle, and a host of other features. But best of all we want you to see right here a proof of accuracy in planting that will surprise you—it will do the same thing on your own farm.

Sold in Rushville by  
E. A. LEE

## Public Sale

We, the undersigned, will sell at public auction at our farm located 7 miles southwest of Rushville, 5 miles northwest of Milroy, 5 miles northeast of Cowdy, on the old Harrison Moore farm, on

### HOME GARDEN CLUBS HELP STIR INTEREST, GIVE AID TO AMATEURS

The more blisters you raise in cultivating, the less water your plants will need.

Weeds waste moisture and plant food. And they're not even pretty.

Have you filed your hoes? Some sticks to mark the rows?

Gardeners of a neighborhood, whether beginners or experienced, should find profit as well as pleasure in the formation of a local garden club, in the opinion of specialists of the United States Department of Agriculture. The meetings can be conducted on the basis of experience meetings to the mutual advantage.

For more food, assistance may be obtained from the States Relation Service of the United States Department of Agriculture in co-operation with the State agricultural colleges. It is regarded as important that the boys and girls be interested, for many of the light tasks of gardening can be performed by them and they will do them willingly if given a partnership in the undertaking. Exhibits of garden products and other outgrowths of the club idea may suggest themselves to the club organizer.

Another use of the neighborhood garden club may be found in co-operation of all. Beginners can take advantage of the experience of successful gardeners, and thus obtain much valuable advice they may not find in books or papers on gardening. In the present emergency, it is pointed out, it is not only a privilege but a duty to pass on the results of garden experience when such experience may save another from error or increase his chances of success.

**May Buy Together.**

The club members may unite to do the heavy work in breaking up a neighbor's garden, and should emergency arise, may help in preventing damage by storm or flood or insect visitation. If insect attacks can not be met by simple methods, the gardening club may buy a sprayer for use of all its members. Costly garden tools needed only occasionally also may be obtained in this manner without hardship to the individual gardener.

Interest Boys and Girls.

An important feature of the work can be the organization of boys' and girls' garden clubs, separate from the adults. In banding together the young folks to help in the campaign

**ALMOST A YOUNG MAN AGAIN**  
When a man awakes in the morning with back so stiff he can hardly stoop over, with shooting twinges in sides and groins, dark and puffed pouches under eyes—when his movements seem slowed up and he lacks vim and energy—instead of saying "I'm getting old," he should be on guard against kidney trouble. E. R. Whitehurst, R. F. D. 1, Norfolk, Va., writes: "I had been suffering for more than a year, but since taking Foley Kidney Pills I feel almost a young man again." F. B. Johnson. (Adv.)

## COURT HOUSE CLOCK TO BE MOVED FORWARD

Hands Will be Set up an Hour Saturday Midnight Before Easter, Custodian Says

### WHEN TO MAKE UP LOST HOUR

Rushville people may arise on Easter morning and rest assured that they will find the court house clock correct, according to the new daylight saving schedule because the hands of the clock will be moved up an hour Saturday midnight before Easter, Sam Buckner, custodian of the court house has announced. So it matters not whether the family alarm clock or the one which sits on the mantle is turned up Saturday night, the court house clock will be right with the world anyway.

The Rushville Ministerial association regrets that the change is made on Easter morning, the biggest day of the year in the church, but will patriotically co-operate to make the change over to the new daylight schedule a success in every particular. The association suggests that the lost hour be made up Saturday night by business generally closing an hour earlier so that most people will not rise an hour late Sunday morning, thus causing them to be late or miss all together the church services.

St. Paul's Methodist church, Rev. C. S. Black, pastor. A special program at the Sunday school hour, 9:30-100 present at this service is the goal for Palm Sunday. At 10:30 the pastor's sermon, theme "The Prophecy of Palm Sunday." Junior League, at three o'clock. Epworth all.

League service at six o'clock with number of special features. Evening worship at seven o'clock, sermon topic "The Name Above Every Name." Special music both morning and evening. A hearty welcome to

A ten and one half pound boy was born to the wife of Dr. E. E. Young of Kokomo this morning. The child, who is a grandson to Sam Young of this city, has been named Richard Elmer. W. M. Myers is ill at his home in North Spencer street.

It sends a wireless for help and it behooves every one to watch for the sign. Pepsinco is used by for stomach ills. Guaranteed to thousands. It is the best remedy help the stomach or money refunded. Your druggist sells it on that guarantee.

## WILL COMPLETE WAR FUND SUBSCRIPTIONS

Mayor Arthur B. Irvin Appointed to Head the Campaign Here.

### FOR THE SALVATION ARMY

On Monday of next week, Envoy Tineher of the Salvation Army will start taking contributions to complete the raising of Rush county's allotment of \$500 for the Salvation war fund. Three hundred and seventy dollars was raised for this fund by Captain VanEdmond before leaving here, making one hundred and thirty dollars yet to complete the county's part toward the national fund. An intensive campaign will be started early next week.

Mayor Arthur B. Irvin has been appointed to represent the state organization in this county and has approved of the raising of the fund and the contributions being given to Envoy Tineher. Moreover, the state Council of Defense has approved the raising of the fund. The resolution passed at a recent meeting of the state body read: "Be it resolved, that the Indiana Council of Defense gives its approval for the solicitation of the Salvation Army for their war fund."

## "The Digest"—For People Who Are Not Afraid of the Truth

Never before, perhaps in the history of the world has it been more difficult to arrive at the actual truth regarding the tremendous events that are occurring from week to week. Empires are falling, huge tracts of territory are changing hands, and the political complexion of States is being completely altered overnight. To know the real facts regarding these epoch-making occurrences is a vital necessity for every one of us; yet there are innumerable influences, both domestic and foreign, that tend to keep the issues clouded and the exact developments in doubt. To obtain the truth you must find a news-magazine that gives you the facts impartially, from whatever source they may be derived, that has no policy but to state conditions as they are, without gloss or concealment, and that leaves your judgment absolutely unfettered. Such a magazine is THE LITERARY DIGEST. You need it.
